Dear Nicky & Carl,

On behalf of the committee I'm writing to thank you for sponsoring CODYS at this year's Festival. Going by the feedback for this show everybody had a great time. CODYS left for the West End last Saturday where they will be doing some of Billy Elliot. The Festival was a great success, no doubt the lovely weather brought out the crowds.

Thanks also for bringing the chairs back from the Cape to the Marquee. I don't quite know how we would have got them back so quickly if it wasn't for your help. If it wasn't for public spirited companies like yours there wouldn't be a Festival.

I have not forgotten your offer to help out on our committee and will get back in touch as soon as we start meeting again to plan next year's Festival.

Hoping to see you at our committee meetings later in the year

Best Wishes
